Jane Popov has submitted a detailed schedule of works and contacted the Sports Unit to ask about the use of section 106 funding which would be paid to CTC £370 for paint and £500 Adult and Community and Family Learning for Jane Popov's time.

It was suggested that if section 106 funding was not forthcoming that local business be contacted to help fund the paint costs.

Style of Wight have offered to render the wall and so Cllr Banks has stepped aside.

Potential to delay the major works until later in the year due to planning and / or tendering delays but still continue the mural so that it is done for the summer season and the Island Games.

RECOMMENDED

To accept Jane Popov's proposal and to commence mural works in line with proposed times.
