

## **Mayor's Report June 2026**

Firstly, I'd like to thank Councillors for re-electing me Mayor for the next year.

Council business as usual now restarts after last month's Annual meeting with Councillor's newly confirmed participation in all of our Committees, Working Groups and various meetings.

I've been out and busy already attending the Medina marching band 50<sup>th</sup> Anniversary Tattoo at the Enterprise College; an amazing evening with guest bands from the mainland joining in an evening of fabulous music and entertainment.

I will continue to strengthen the Council's links with the Town and hope to build on current projects as we move towards Cowes 200<sup>th</sup> anniversary this August.
